

# LONGCROFT NEWS

Friday 20th January 2017

## Progress Updates

The second of the Progress Updates for the 2016/17 school year are now available when you log on to SIMS Learning Gateway (SLG).

Alongside providing parents with information about their child's academic progression, there are also celebratory items for you to view, such as attendance certificates.

To visit our SLG page, which includes support contact email addresses and more information, please [click here](#).

Parents are provided with user accounts for SIMS Learning Gateway, but if there are any questions please email [slgsupport@longcroft.eriding.net](mailto:slgsupport@longcroft.eriding.net).

If at any point help is needed to reset a password, email [slg@longcroft.eriding.net](mailto:slg@longcroft.eriding.net)

## Molescroft Inn Parking

Please be aware that the Molescroft Inn car park is closed between 3pm and 4pm.

If you collect students by car and have previously parked in this private car park, please find an alternative location. We also advise that you do not park on dropped access curbs or driveways, as this is a highways offence.

We appreciate how difficult it can be for parents collecting their children by car to find an appropriate space, but we also have to take the needs of our neighbours into consideration.

Thank you for your cooperation.

## Sports Updates

**Hockey:** The Year 8/9 mixed hockey team played their first game of 2017 on Thursday at home to Beverley High School. They were definitely a bit rusty in the first 5 minutes, which saw the High School take an early advantage and despite Longcroft's game improving, they found it difficult to get the ball in the net. Well done to all who played for not giving up and good luck with the Wednesday evening training as they prepare for further matches.

**Netball:** The Year 7 and 8 netball teams had another successful evening on Wednesday night. Both teams were depleted in number due to student absence but other substitutes were willing to stand in. The Year 8's lost their first game to Snaith, but found their rhythm in the second game, beating Woldgate 3-1. The Year 7's continued their winning streak by beating Woldgate for the second time with a final score of 2-0. All the girls' commitment to training is really paying off and well done to all!

**Basketball:** The Key Stage 3 boys' basketball team took part in the East Riding Competition this week at South Hunsley School. There was some great individual skill on court, but unfortunately they did not qualify for the finals. However, the players are not downhearted and the basketball club continues to thrive every Friday after school.

### **Immunisation Sessions**

Please note that the following immunisations sessions are scheduled for 2017:

- Monday 30th January: Year 9 – TdP, Men ACWY and MMR
- Monday 3rd April: Years 8 – 1st HPV; Year 9 – 2nd HPV

### **Important Dates**

Wednesday 25th January 2017 – **Year 10 Parent Consultation Evening**

Wednesday 1st February 2017 – **Year 11 Parent Consultation Evening**

----- END -----
