Friday 13th January 2017

## **A Winning Start to the Year for Netball**

There were brilliant performances from Longcroft's netball teams against Woldgate School on Thursday night. The Year 7 'A' team got Longcroft off to a superb start with a 4-2 win, which was swiftly followed by a 3-1 win from the 'B' team.

This is a fantastic start first time out for the Year 7's, who played with the confidence of a team that had been together for years. To cap the night off, the Years 9 and 10 team stormed to victory winning 17-8.

Exceptional performances from Rosie Shepherd and Lottie Thomson on the 9/10 team and all 15 of the year 7's! A brilliant start to the new year, with the promise of more successes to come!

## **Cross Country Successes**

Well done to student Adam Fox, who came second in his category at the Humberside Cross Country Championships in Barton-upon-Humber, adding another silver medal to his collection. He will go on to represent Humberside at the national finals in March at Loughborough.

Congratulations also go to Sixth Former Becky Briggs, who won the Under 17 race – this is fantastic result for Becky, who is a Humberside Champion and will also go on to compete in the National Finals.

## **Bad Weather Procedures**

If there is ever need for the school to close in the event of an emergency, such as extreme weather conditions, information about our procedures can be found by [clicking here](#).

Importantly, your first ports of call for emergency notices are on the school website homepage and by tuning in to Radio Humberside.

Providing staff are able to access the technology, a text message will also be sent to parents. However, as this may not be possible in emergency scenarios, please refer first to the website and local radio.

## **Parents Visiting School**

If you are a parent who has to come into school for a meeting or an appointment, please make sure you sign in at reception, even if you know which room you are going to.

For Upper School appointments, you must sign in at the hatch that is located immediately through the main doors.

At Lower School, sign in at the office that is directly on your left when you enter the building.

Thank you for your cooperation.

### **Parent Messages to Students**

There has been an increase in telephone calls from parents, asking for messages to be passed on to students during the school day.

Whilst our administrative team will make every effort to do so, we hope you will appreciate that this is not always possible depending on staff availability and other duties that may take priority.

Thank you for your consideration with this matter.

### **Immunisation Sessions**

Please note that the following immunisations sessions are scheduled for 2017:

- Monday 30th January: Year 9 – TdP, Men ACWY and MMR
- Monday 3rd April: Years 8 – 1st HPV; Year 9 – 2nd HPV

### **Important Dates**

Wednesday 25th January 2017 – **Year 10 Parent Consultation Evening**

Wednesday 1st February 2017 – **Year 11 Parent Consultation Evening**
