

AQA GCSE (9-1) Combined Chemistry Three Year Scheme of Work

This 3-Year Scheme of Work offers a flexible approach for KS4. It is based on three science lessons per fortnight (assuming a two week timetable of one lesson in one week and two lessons in the other). Lessons are designed to be flexible and can be used for 40-60 minute sessions. Lessons are scheduled to finish in the first term of Year 11 to allow time for consolidation and revision.
