## **Thank you for your support**

The past few days have been challenging in terms of the adverse weather conditions.

We would like to thank all parents for their support, especially with the closure of school on Thursday 1st March. Any decision of this kind is made with the health and safety of students and members of staff as our main concern, both in terms of their time on site and their ability to get to school.

Thank you for your understanding with this matter.

Thanks also to students for behaving sensibly during the week and to staff for making it through the difficult weather conditions.
