

LONGCROFT NEWS

Friday 23rd
November 2018

Week Commencing Monday 26th
November 2018 is Timetable Week B

Positive Discipline Update

Following the most recent Positive Discipline lesson, an amazing **426 students** have now been awarded their bronze certificates, for totalling more than 250 stamps each since the start of term!

This is fantastic news – well done everybody! Your next stop is 500 stamps and Silver certificates. We look forward to celebrating further success in the future.

Progress Updates

The first Progress Updates of the 2018/19 school year have been uploaded to MyEd. These reports are produced at regular intervals throughout the year and illustrate student progress to date. They celebrate successes and indicate where additional support may be required.

If you have any questions regarding this, please send a message via MyEd or email school@longcroft.eriding.net with the subject "Progress Update Support".

Longcroft Students Dance to Success

Congratulations to a group of dancers from Longcroft, who along with other girls have formed the BDC Queens.

During the summer holiday, the group visited Scotland to take part in a street dance competition and gained a brilliant third place. Success continued, when in early November they travelled to Wales to take part in a six nations street dance championships and won!

This is fantastic news and shows how much can be achieved through teamwork, dedication and hard work.

Congratulations to all involved.

Be Bright – Be Seen

Over recent months, Mrs Hirons and her form have been working closely with East Riding of Yorkshire Council Road Safety Office David Butt. They have been spreading the message of bike safety throughout the school. This has included highlighting the benefits of sustainable transport for teachers and students alike, with the aim of reducing the number of cars and increasing cycling and walking to and from school.

On Friday 23rd November, Mrs Hirons, David and other ERYC officers promoted the Be Bright Be Seen campaign, which encourages cyclists to improve their visibility to other road users. On this particular morning, free bike lights were given to the first 100 cyclists arriving at school.

FOLS – Proposal to Dissolve the Charity

A reminder that this meeting will be held on Tuesday December 11th, 7pm in the Board Room at Upper School. Should any parent, grandparent, relative, friend, governor or staff member from the Longcroft community feel they are able to contribute a small amount of time to keep the charity from folding, please join us at the meeting to prevent the dissolution.

A tiny number of parents have been the mainstay of the charity over the last few years and as their children move on from Longcroft committee member numbers have dwindled. If you can help or support them in any way, please email fols@longcroft.eriding.net.
