Year 11 Prom

We hope all the Year 11 students who attended the prom this week had a wonderful evening. It was a time to look to the future, whilst also remembering their past five years at Longcroft. Many strong friendships have been formed, which will last for years. We wish all Year 11 students good luck with whatever the future holds for them.

Recital Evening

Thank you to all the staff and students who took part in our annual Recital Evening.

Taking advantage of the warm weather, this year the event took place in the quad, which was decorated with bunting and balloons to create a bit of midsummer magic. Our very talents musical students treated the audience to some amazing performances – it was a wonderful evening.

Congratulations to all those students who performed and helped to organise the event. Thank you to Mrs Harris, the Performing Arts Team and everyone else involved with putting this lovely event together

Parent Forum

All parents are invited to another Parent Forum on Monday, 9th July, 6pm-7pm. The focus will be Longcroft's new Positive Discipline system - we want to know how you think this is going.

If you want to join us, please email school@longcroft.eriding.net or call 01482 862171, so we can prepare an appropriate room based on the numbers planning to attend. Thank you in advance for your support.

Years 7 and 8 Rounders Tournaments

Longcroft hosted two end-of-season rounders tournaments this week, with both attended by teams from 11 schools. The Year 8 Longcroft team finished 7th overall - after a rocky start they soon put their errors behind them and won their last 3 games. The Year 7 team played exceptionally well, with not only some impressive batting, but also tactical fielding skills. With a tie at the top of the results table, the positioning was decided by the amount of rounders scored. The girls (pictured here with Miss Ellwood) were thrilled to have finished 2nd over all. Well done!

Friends of Longcroft School (FOLS)

The Friends of Longcroft are meeting at the Upper School Boardroom (turn left and it is the second door/last one on the left before the double doors) at 7pm on Monday 16th July 2018. The committee is small and needs new people to contribute ideas for fundraising and to help make decisions about funding extra items for the school. Please do email us if you wish any further information: fols@longcroft.eriding.net.

Safety Advice from Yorkshire Water

With the current hot weather, it is often tempting for some young people to cool down in water, such as the sea, rivers and streams. However, this is a very dangerous thing to do and Yorkshire Water is promoting the Royal National Lifeboat Institution's 'Float to Live' project, which provides safety videos and information regarding the very real threats to life that can result from such activities.
