

## Happy New Year

**Welcome back to a new year and a new term. We hope you all had a restful and happy festive period and look forward to everything 2019 will bring our students. We look forward to sharing more celebrations and successes with you over the coming year.**

### Longcroft Olympic Legacy

All students participated in the Longcroft Olympic Legacy (LOL) intra dodgeball competitions before the end of term. In four different teams named after our Olympic heroes from 2012, the students are thoroughly enjoying the sport and showing a great competitive spirit. ### Cycle Security Event

On Friday 1st February, students who cycle to school have the opportunity to receive a free cycle lock.

The East Riding Road Safety Team are working in partnership with Humberside Police on this bicycle security initiative. There will be 70 locks given out to students – this is on a “first come, first served” basis due to the limited number available.

Council officers will be on site from 7:45am until 9:00am. We would like to thank them in advance for including Longcroft in this project.

## Sixth Form Updates

### **Changes to Year 13 Registration Process**

Students in Year 13 are no longer expected to attend morning registration, but should attend mentoring appointments instead. They must remember to check the board in the Common Room for time slots. This is to give them more independence and flexibility with their time. Please don't forget the golden rule of one hour's extra study for every hour spent in the classroom!

### **New Year 12 Registration Groups**

Year 12 students have been placed in new registration groups. It remains our expectation that they attend morning registration unless absence is due to illness, which should be reported, or a pre-authorized absence.

### **Sixth Form Administrator**

The Sixth Form now has a designated Administration Assistant. Miss Smith is on hand to assist with any calls or queries that students or parents may have. Please do not hesitate to get in touch – both Miss Smith and Mrs Holland (Head of Sixth Form) are always happy to help.

## Invigilators Wanted

We are looking to employ additional invigilators to support the busy GCSE and A-level exams period, plus occasions such as mock examinations. Duties include supervising students taking examinations, preparing exam rooms and distributing and collecting exam papers.

The main examinations occur during November, January, May and June. Hours of work vary during the day (8.30am – 4pm) and we are particularly interested in applicants who are available any day of the week (Monday – Friday).
